

# QUILTING MATTERS

developing creativity through quiltmaking

## ADVENT CALENDAR

This quirky quilt is a combination of free-form cutting and sewing techniques.

Over two classes we will make three block designs:

- *xmas trees*
- *spikey stars*
- *pressies*

In the third and final *setting class* we'll bring it all together... giving you plenty of time to have it ready for Christmas.

This colourful wall-hanging is sure to bring a festive feel to your home... or become a wonderful gift for that very special someone!
