

QUILTING MATTERS

developing creativity through quiltmaking

BASIC MACHINE QUILTING

Learn new machine quilting skills... or hone existing ones.

- Start with *good sandwich preparation* for a successful look and finish. Most girls need to polish this initial stage of the quilting process.
- Learn a variety of *straight-line quilting* methods using the **walking foot**.
- Move to *free-motion quilting* using the **darning foot** and stitch individual free-style motifs... a bit like drawing with a needle. Learn to make quality stitches and hone motifs that suit your style.

BYO fabric, rotary cutter

BYO sewing machine (must be able to drop the feed-dogs)

BYO walking foot + darning foot
