

# QUILTING MATTERS

*developing creativity through quiltmaking*

## BEANIEZ FLOOR CUSHION

Beaniez are more than merely cushions. They are bean filled shapes to stack, cuddle, lay out, sit on, lean against and perhaps used as important, colourful decor.

Great for kids rooms/lounge rooms!

- Come with blocks prepared or make them 'nude' (without decorative block).
- We will design, cut, stitch... and perhaps quilt or construct one on the day.
- Use a stronger fabric that doesn't need patchwork/quilting if you want to whip a few up quickly. Possibilities are endless.
- Beaniez floor cushions are the perfect project for stronger textiles, i.e. denim, corduroy, upholstery.
