

# QUILTING MATTERS

developing creativity through quiltmaking

## CURVY CUTS

MIRAGE showcases the curvy technique well... simple curvy lines to create interest and movement!

The CURVY CUT process may look daunting but it is rather easy. It is simply time consuming, one-piece-at-a-time sort of work.

Come along to make a start on a project and learn the technique... we'll have you curving freely in your own style in no time!

If you're happy to start with a small project, *curvy cushion tops* make up quickly and easily and look rather wonderful!

BYO fabric, sewing machine, rotary cutter

Pattern is included

Rotary mats/rulers are supplied for use in class

Haberdashery, wadding and rotary tools are for sale

One-day workshop 10am to 4pm @ \$110
