

MELON PATCHEZ

MELON PATCHEZ is a fun quilt to make. It comes together quickly in a couple of sessions of easy, process stitching and it uses up a stack of scrap fabric.

Over the years I've used this block traditionally and in free-style versions.

This one is a bit different in that we will use one block width of 4" then make four different length Melonz.

These rectangles can be set in a myriad of ways. Quilt size and design is easily altered.

am learn the block in various sizes

pm design board for piecing and organising your blocks

BYO fabric, sewing machine, rotary cutter

Pattern is included

Rotary mats/rulers are supplied for use in class

Haberdashery, wadding and rotary tools are for sale

One day workshop @ \$110

morning/afternoon tea supplied
