

SPOTSVILLE STRIPPIEZ

The traditional 'strippy' setting is simple, graphic and leaves plenty of scope for change.

Two strips of blocks are included for added interest.

Both *framed squares* and *framed rectangles* are very easy to construct and help to balance colour and fabric print.

Instructions are given in both single and cot sizes but it is also very easy to make size changes.

- learn two simple blocks
- learn to cut/sew lengths of fabric with minimal bow/drag
- use the design wall to piece and look at block settings
- discuss machine quilting possibilities
