

# QUILTING MATTERS

*developing creativity through quiltmaking*

## TREEZ

This quilt can be used in many ways

- as a forest
- as individual treez
- any height
- tall and straight
- short and stumpy
- leaning precariously

You will have 4", 6", 8" width tree groupings to choose from plus a recipe for a single feature block.

Colourings can be neutrals/forest greens, could reflect seasons (think

snow, falling leaves, sunny or rainy days) or, with dark backgrounds your treez could be stunningly silhouetted against the night sky. Lots of options!

Making them varies according to the intended use and height which is limitless. This pattern is fun for the festive season... use blocks to decorate small gifts and to make a welcome wall/couch quilt. Make your quilt any size/setting

*week 1*      discuss fabrics, decide on your design, learn the block

*week 2*      use the design wall to put it all together

BYO fabric, sewing machine and rotary cutter
