

QUILTING MATTERS

developing creativity through quiltmaking

CUPPAZ

For these crooked cuppaZ you are given a recipe but no templates. Start with simply cut squares and rectangles then trim and design as you go. Make your quilt as individual as you are using this freestyle method.

No exact 1/4" seams or perfectly matched corners needed in these blocks. Choose any size block (4" 6" or 8"), any number of blocks or a combination of sizes. Design your quilt, cushion or table topper to your taste.

week 1 learn to make the block
week 2 use the design board to bring it all together

BYO fabric
BYO rotary cutter
BYO sewing machine
Pattern is included
Rotary rulers and mats are supplied for use in class
Haberdashery, wadding and rotary tools are for sale
Snacks and drinks available
