

MELON PATCHEZ

In scrap mode... MELON PATCHEZ is a fun quilt to make. It comes together quickly in a couple of easy sessions of process stitching and uses up stack of scrap fabric.

Over the years I've used this block traditionally and in freestyle versions. This one is a bit different in that we will use a block width of 4" to make four *different length* Melonz.

These rectangles can be set in a myriad of ways. Quilt size and design is easily altered and your project can be functional or decorative.

- Week 1* learn the block in various sizes
- Week 2* use the design board to organise your blocks

BYO fabric, sewing machine, rotary cutter
Pattern is included
Rotary mats/rulers are supplied for use in class
Haberdashery, wadding and rotary tools are for sale
Snacks and drinks available
